

## Fortress Transportation and Infrastructure Investors LLC Announces Early Settlement of Tender Offer for 6.75% Senior Notes Due 2022

December 23, 2020

NEW YORK, Dec. 23, 2020 (GLOBE NEWSWIRE) -- Fortress Transportation and Infrastructure Investors LLC (NYSE:FTAI) (the "Company" or "FTAI") announced today the early settlement of its previously announced cash tender offer to purchase up to \$300 million aggregate principal amount (the "Maximum Tender Amount") of its 6.75% senior notes due 2022 (the "Notes"), upon the terms and conditions included in the Offer to Purchase, dated December 9, 2020 (the "Offer to Purchase").

The table below identifies, among other things, the aggregate principal amount of Notes validly tendered and not validly withdrawn as of 5:00 p.m., New York City time, on December 22, 2020 (the "Early Tender Deadline"), the aggregate principal amount of Notes that the Company has accepted for purchase and the approximate proration factor.

Security	CUSIP Nos.	ISINs	Outstanding Principal Amount	Maximum Tender Amount	Principal Amount Tendered	Principal Amount Accepted	Approximate Proration Factor
6.75% Senior Notes due 2022	34960PA A9 / U3458LA A9	US34960PAA93 / USU3458LAA99	\$700,000,000	\$300,000,000	\$613,401,000	\$300,000,000	48.94%

The Early Tender Deadline has passed. Accordingly, any validly tendered Notes may no longer be withdrawn or revoked. Holders whose notes were accepted for purchase in the early settlement (after giving effect to the proration provisions set forth in the Offer to Purchase), received the "Total Consideration" equal to \$1,016.00 (inclusive of an "Early Tender Payment" of \$30.00) per \$1,000 principal amount of Notes accepted for purchase, plus accrued and unpaid interest on the Notes from September 15, 2020 (the most recent payment of semi-annual interest) to, but not including, December 23, 2020.

The tender offer will expire at 11:59 p.m., New York City time, on January 7, 2021, unless extended or earlier terminated by the Company. However, because the Maximum Tender Amount has been fully subscribed as of the Early Tender Deadline, holders who validly tender any Notes after the Early Tender Deadline will not have any of their Notes accepted for purchase. Any Notes not accepted for purchase, including due to proration, will be promptly returned or credited to the holder's account.

Any Notes that are not tendered and accepted for payment pursuant to the tender offer will remain outstanding until refinanced or otherwise repaid, in each case in accordance with the terms of the indenture (and supplements thereto) governing the Notes.

The complete terms and conditions of the tender offer are set forth in the Offer to Purchase and the related Letter of Transmittal. Holders are urged to read the Offer to Purchase and the Letter of Transmittal carefully.

The Company has engaged Morgan Stanley & Co. LLC to act as Dealer Manager for the tender offer. Persons with questions regarding the tender offer should contact Morgan Stanley & Co. This press release is for informational purposes only and is not a notice of redemption under the optional redemption provisions of the indenture (and supplements thereto) governing the Notes nor an offer to purchase or a solicitation of an offer to purchase with respect to any of the Notes. The tender offer is being made pursuant to the tender offer documents, including the Offer to Purchase. The tender offer is not being made to holders of Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities or other laws of such jurisdiction. None of the Company, the Dealer Manager, the Tender and Information Agent or their respective affiliates is making any recommendation as to whether or not holders should tender all or any portion of their Notes in the tender offer.
