**Item 8.01 Other Events.**

On September 14, 2018, Fortress Transportation and Infrastructure Investors LLC (the “Company”) announced the pricing of its previously announced private offering of \$300.0 million aggregate principal amount of senior notes due 2025 (the “Notes”). The Notes will bear interest at 6.50% per annum and will be issued at an issue price equal to 98.50% of principal, plus accrued interest, if any, from September 18, 2018. The Company intends to use a portion of the net proceeds from the offering to repay \$125.0 million of outstanding borrowings under the Company’s credit agreement dated as of June 16, 2017, as amended, and to pay related fees and expenses, with the remainder to be used for general corporate purposes, including the funding of future investments. The closing of the offering is subject to certain limited conditions.

The Notes were offered in the United States to qualified institutional buyers under Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to persons outside of the United States under Regulation S under the Securities Act. The Notes will not be registered under the Securities Act or any state securities laws, and, unless so registered, may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

The information in this Form 8-K filed pursuant to Item 8.01 does not constitute an offer to sell or a solicitation of an offer to buy the securities described herein, nor shall there be any sale of these securities in any state or other jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.
