Disclaimers

IN GENERAL. This disclaimer applies to this document and the verbal or written comments of any person presenting it. This document, taken together with any such verbal or written comments, is referred to herein as the “Presentation.”

FORWARD-LOOKING STATEMENTS. Certain statements in this Presentation may constitute “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995, of Fortress Transportation and Infrastructure Investors LLC (referred to in this Presentation as “FTAI,” the “Company,” or “we”), including without limitation, ability to achieve key investment objectives, expansion and growth opportunities, pipeline activity and investment of existing cash, actual results as compared to annualized data, expectations regarding additional FAD and/or EBITDA from investments, growth of and ability to expand Jefferson Terminal, Repauno and Long Ridge, whether equipment will be able to be leased, completion of new infrastructure and commencement of new operations within the Infrastructure business, bank borrowings and future debt and leverage capacity, financing activities and other such matters. These statements are based on management’s current expectations, estimates and beliefs and are subject to a number of trends and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements, many of which are beyond our control. FTAI can give no assurance that its expectations will be attained. Accordingly, you should not place undue reliance on any forward-looking statements made in this Presentation. For a discussion of some of the risks and important factors that could affect such forward-looking statements, see the sections entitled “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in the Company’s most recent annual report on Form 10-K and quarterly report on Form 10-Q (when available) and other filings with the U.S. Securities and Exchange Commission, which are included on the Company’s website (www.ftandi.com). In addition, new risks and uncertainties emerge from time to time, and it is not possible for the Company to predict or assess the impact of every factor that may cause its actual results to differ from those contained in any forward-looking statements. Such forward-looking statements speak only as of the date of this Presentation. The Company expressly disclaims any obligation to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company’s expectations with regard thereto or change in events, conditions or circumstances on which any statement is based.

PAST PERFORMANCE. Past performance is not a reliable indicator of future results and should not be relied upon for any reason. Annualized data is presented for illustrative purposes only and should not be considered indicative of future performance or actual results for any period.

NO OFFER; NO RELIANCE. This Presentation is for informational purposes only and does not constitute an offer to sell, or a solicitation of an offer to buy, any security and may not be relied upon in connection with the purchase or sale of any security. Any such offer would only be made by means of formal documents, the terms of which would govern in all respects. You should not rely on this Presentation as the basis upon which to make any investment decision.

NON-GAAP FINANCIAL INFORMATION. This Presentation includes information based on financial measures that are not recognized under generally accepted accounting principles (GAAP), such as Adjusted EBITDA and FAD. You should use non-GAAP information in addition to, and not as an alternative to, financial information prepared in accordance with GAAP. See Reconciliation and Glossary in the Appendix to this Presentation for reconciliations to the most comparable GAAP measures and an explanation of each of our non-GAAP measures. Our non-GAAP measures may not be identical or comparable to measures with the same name presented by other companies. Reconciliations of forward-looking non-GAAP financial measures to their most directly comparable GAAP financial measures are not included in this presentation because the most directly comparable GAAP financial measures are not available on a forward-looking basis without unreasonable effort.
